## Professional Learning Resource™

# Academic Coaching Conversation Guide

The following professional learning resource is designed to support educators, instructional leaders, and facilitators in building purposeful, transferable learning systems.

## Key Professional Learning Insights

- Clarify the task before offering assistance.
- Ask strategic questions that guide thinking.
- Encourage students to verbalize obstacles.
- Support productive struggle through coaching.
- Reflect briefly after the learning interaction.

**Coaching should strengthen student thinking rather than create dependency.**

**“Purpose Fuels Progress™”**

Professional Learning • Instructional Coaching • Sustainable Academic Growth
