STICKR™ Reflection Template

This practical template is designed to support purposeful instruction, reflection, communication, and transferable learning.

Today I learned:

One concept that became clearer to me:

One question I still have:

A strategy that helped me learn:

How I can apply this learning elsewhere:

“Purpose Fuels Progress™”

Instructional Reflection for Educators

This practical template is designed to support purposeful instruction, reflection, communication, and transferable learning.

What aspect of the lesson was most effective?

Where did students appear confused?

How effectively did students communicate understanding?

What reinforcement opportunities should be added?

What adjustments may strengthen transfer and reflection?
